

## MEMORANDUM

**DATE:** June 29, 2020  
**TO:** SJLCB Residents & Families  
**FROM:** David Wormald, President  
**RE:** Appointment of Elaine Calvert, VP St. Joseph's Lifecare Centre Brantford

---

I wish to share with you that Elaine Calvert, Executive Director of Stedman Community Hospice, has recently been appointed to the position of VP, St. Joseph's Lifecare Centre Brantford. In her new role, Elaine will be responsible for day-to-day operations of both the Hospice and St. Joseph's Lifecare Centre.

Elaine's appointment is a significant step towards our goal of establishing an integrated, client-centered campus of care, as detailed in the [2019 three-year strategic plan](#).

Elaine is a Registered Nurse who holds a Master of Arts of Leadership. She has 15 years of strategic and operational leadership, complemented by seven years of direct care experience, including work in acute care, community and long-term care sectors.

Prior to joining our organization, Elaine was the Director of Research and Development for Think Research, where she led a research and development team, focused on the development of a seniors' care program and the provincial deployment of Ministry-funded clinical support tools. She is a highly accomplished client-focused professional, with a solid understanding of the complexity of the healthcare system.
