

MEMORANDUM

DATE: February 1, 2021
TO: Families & General Public
FROM: Elaine Calvert, Vice President
RE: **COVID-19 Update**

St. Joseph's Lifecare Centre wishes to report that Brant County Health Unit has discontinued our "suspected outbreak" status.

Outbreak protocols previously in place on Level 3 (Pine Trail and Canary Path) have been discontinued.

- If a resident has two designated essential caregivers, both essential caregivers have now been reinstated.

St. Joseph's has strong infection control processes in place that are aligned with Ministry of Health directives and guided by public health authorities and continues to make the health and well-being of our residents, staff and visitors our top priority.
