

Recruiting Volunteers as

Board Members & Committee Members

Help shape the future of St. Joe's. Are you on Board?

St. Joseph's Lifecare Centre Brantford (SJLCB) is a campus of care that includes St. Joseph's Long-Term Care Home, a 205-bed long-term care facility and Stedman Community Hospice, a 10-bed community hospice. Providing a distinctive continuum of care, we respond to a wide variety of individual needs. In addition to long-term care and residential hospice services, we provide palliative community care outreach support services. Our campus of care includes medical clinics, a child daycare centre, allied health services, and a retail pharmacy.

Serving as a volunteer Board Member and/or Committee Member you will have an opportunity to play a critical role in ensuring that our Mission, Vision and Values continue to meet the needs of our community. Working collaboratively with the President and other Board Members, you will lend your valuable skills and experience to the decision-making process.

SJLCB is committed to equity and diversity and welcome applications from racially visible individuals, people with disabilities, Indigenous peoples, and LGTBW2S+ persons. SJLCB is an equal opportunity employer and strives for equity, diversity and inclusion in all programs, facilities, and people. Committed to creating a barrier-free environment, we are an accessible organization, and will work to accommodate any needs under the Accessibility for Ontario for Disabilities Act and the Ontario Human Rights Code. Should any applicant require accommodation through the application process, please contact wes.atchison@sjhcg.ca for assistance.

Based on the skills mix of the Board, we are seeking new members with financial, legal, human resource, communications and I.T. expertise. In addition, we welcome applications from individuals with experience in health care, accountability frameworks, and those with experience at a governance and strategic level. The commitment would be one meeting per month along with additional committee meetings where needed.

We would like to hear from you if you are ready to make a meaningful difference in your community and get on Board!
