Christmas 2020

St. Joseph's Lifecare Centre — Long-Term Care

David Wormald, President
St. Joseph's Lifecare Centre Brantford

The staff of St. Joseph's Lifecare Centre has been working hard to make Christmas as enjoyable as possible for residents, amidst the COVID 19 pandemic. Certainly, it will look different from previous years with visitation being restricted, but that's not to say that our residents can't still enjoy many of the joys of the season.

Our dietary staff have planned a special Christmas dinner with all the trimmings. Resident families, along with members of the public have generously provided gifts and we are happy to report that each resident will have gifts for Christmas! We are tremendously grateful for the outpouring of kindness. Thank you to everyone for all you do to bring joy to our residents. We are so thankful. Merry Christmas to all our St. Joseph's families.

Thank you, Dawn Sangster and Christmas Magic For Seniors

Three years ago, Dawn's mother, Gwen Ludwig, passed away at St. Joseph's Lifecare Centre.
To honour Gwen's memory, Dawn has held a fundraiser each year for our residents, growing the event each year. This year, Dawn hoped her fundraiser would we so successful that she would be able to get gifts for all 205 residents. Through social media and a lot of hard work, we are thrilled to share that Dawn achieved her goal! Our heartfelt thanks to Dawn and everyone who contributed to this cause.
