

SUPPORTING STEDMAN COMMUNITY HOSPICE

HANDBAGS FOR HOSPICE

November 9, 2023

PRESENTED BY BETCO PRODUCTS INC

Welcome

It is my pleasure to welcome you to Handbags for Hospice this evening in support of Stedman Community Hospice. Handbags for Hospice is celebrating 10 years this year!

In 2012, a dedicated group of friends, led by cancer survivor Judy Porter founded this event and continued to run it for 5 years, with proceeds going to Stedman Community Hospice. What an incredible event they built, one that continues to go strong today. Thank you, ladies!

We have a great evening planned for you. We are thrilled to welcome back the talented and engaging Chuck Dukas as our emcee and auctioneer again this year. Chuck has flown in from Los Angeles to be here with us this evening.

Tonight, you will notice some great new changes to the programme that we hope you will love.

This event would not be possible without the commitment of our volunteers, sponsors, donors, and all of you. The Foundation is very grateful for their support.

And finally, thank you to the Hospice staff, physicians, and volunteers. This dedicated team delivers compassionate care to our community, whether it be in our Hospice or in patients' homes. So many people have shared with me how the Hospice team has positively impacted them during an extremely difficult time. They are truly what makes Stedman Community Hospice so special. Approximately \$1.3 million is needed each year from the community to ensure the vital programs and services of Stedman Community Hospice continue. Thank you for joining us this evening and helping to ensure we raise these crucial funds for Hospice.

Enjoy the evening!
With gratitude,

Julie Powell, President & CEO
St. Joseph's Lifecare Foundation

Handbags Committee

An event like tonight's would not be possible without the incredible support of the Handbags for Hospice Committee.

This amazing group of women work so hard all throughout the year to bring tonight's event to life. **Thank you, ladies!**

Raising Hope

\$35,000 GOAL

Since 2004, Stedman Community Hospice has been providing in-residence hospice care as well as community outreach services to families in our community. Our services are available to adults and children of all ages, faiths, illnesses, and income levels who need end-of-life care.

We proudly offer a wide variety of programs to assist families from the moment a life-limiting illness is diagnosed through to grief support for families.

In the fall of 2021, with the support of donors, Stedman Community Hospice started a capital improvement project to replace 11 aging beds within the building. Along with the new beds, there was a need to renovate the building to accommodate these beds.

The beds that we have been replacing are 19 years old and have reached their life expectancy. The new beds are also considerably larger and much more comfortable than the ones they are replacing. Due to the increased size of the new beds, renovations have been required to make door frames wider to move the beds freely within the building as well as outdoors. A portion of the renovations have been started but the remainder needs to be completed as soon as possible.

Safety is of critical importance in this renovation. Widened doorways will enable us to get the beds out of the room quickly and easily in an urgent situation. Beyond the safety issue, the tight squeeze out the doors makes it challenging to move patients to the family room as well as outdoors.

One of the great features of our hospice is our large family rooms as well as our beautiful gardens. All of our patients deserve to easily be able to attend celebrations in the family room and enjoy the sun on their face on the patio.

Tonight, we hope you will consider helping us with Raising Hope to support these important renovations at our community Hospice. A 100% tax receipt is provided for your gift.

Thank you for your generosity!
