

Director, Stedman Community Hospice St. Joseph's Lifecare Centre

The Portfolio:

[St. Joseph's Lifecare Centre Brantford](#) is a leader in long-term care, hospice care and community outreach programs as evidenced by the Commendation standing awarded by Accreditation Canada. Our campus includes 205 Long Term Care beds, Stedman Community Hospice and onsite medical offices. The overall staff complement is approximately 350 employees with an annual operating budget of approximately \$20 million.

Stedman Community Hospice includes a 10-bed Residential Hospice, Day Wellness and Community Outreach programs.

Please refer to our website at www.sjlc.ca for further information on our programs and services.

The Mandate:

As a member of St. Joseph's Lifecare Centre executive team, the Director, Stedman Community Hospice is directly accountable to the President of St. Joseph's Lifecare Centre who reports to St. Joseph's Lifecare Centre Board of Trustees and St Joseph's Health System.

More specifically the Director, Stedman Community Hospice is responsible for planning, directing and managing all programs and personnel of Stedman Community Hospice; in conformity with policies, guidelines and budgetary authorities set by the President.

The Director, Stedman Community Hospice serves as a champion for Stedman Community Hospice's vision of palliative care, representing the interests of Hospice in various forums. and acting as a key liaison with a range of health care partners and stakeholders. As a partner with St. Joseph's Lifecare Foundation, you will support and champion fundraising programs and activities, and will be considered a community and provincial leader in palliative care.

In addition, the Director, Stedman Community Hospice will promote opportunities to strengthen integration within St. Joseph's Lifecare campus; including programs of the Hospice, Long Term Care and Community Outreach services, as well as across St. Joseph's Health System.

The Ideal Candidate:

You will have demonstrated leadership with the ability to develop and establish annual and long-term goals and objectives to fulfill the mandate of the Hospice and Community.

Your passion and commitment to the transformation of palliative care service delivery is matched with your depth of understanding of their unique needs, typically gained from a University undergraduate degree and/or Nursing or related health care designation, and a minimum of 5 years' leadership experience in the health care sector. Your engaging and collaborative style naturally allows you to build strong partnerships both within an organization and with external partners.

You will have knowledge and experience in the following areas; change management, program management, human resource management, financial management, planning & development and risk management, and is evident in your career accomplishments to date that have delivered measurable value to the patient populations you have served.

The Next Steps:

If you are looking for an environment where your innovative and proactive style can be utilized to make a meaningful difference, this is the opportunity you've been waiting for.

Please refer to our website at www.sjlc.ca for further information about us. To apply in confidence, please submit your resume and cover letter, to **Erin Adams, Human Resource Coordinator** at eadams@sjlhc.ca indicating the job title in the subject line of your email.

St. Joseph's Lifecare Centre Brantford and Stedman Community Hospice is an equal opportunity employer and strives for equity, inclusiveness and diversity in all of our programs, facilities and people.
